# Message From Our

Main Sponsor (Sri KL CEO)

Dear friends,

I'm delighted to be able to pen a few words for the 8th Total Gym International Gymnastics Tournament 2023 Programme booklet. Selamat Datang and a very warm welcome I bid to all the participants for this year's event. It is indeed a pleasure and an honour to have you with us here in Malaysia.

In a sea of uncertainty over the state of our planet and worsening tensions between nation states across the globe, it is heartening to know that good relations between ourselves and other countries can be nurtured through events such as this. A shared love of gymnastics is what brings us together, regardless of race, religion and language, in an atmosphere of friendly competition and mutual respect. Let us not waste this fantastic opportunity to learn more and understand each other better in the short time we have together.

Heartiest congratulations to Coach Mike and the team at Total Gymnastique for keeping this friendly competition alive and kicking in the face of so many challenges. My deepest appreciation goes to you and all the good people from the various clubs and associations that

have worked together to make this event possible.

To the participants in this year's competition, I wish you all the best of luck in your chosen disciplines and I look forward to seeing you in action over the next couple of days. In between your events, please don't forget to have fun and mix with each other wherever and whenever you can. That includes, you too, dear coaches. After all, that is really what this tournament is about - creating links of friendship and cooperation that will, I hope, last for a lifetime.

Thank you and have a great day.

# Message From Our Organising Chairman & Advisor

My dear fellow participants, coaches, officials and parents from the gymnastics fraternity both local and foreign, Total Gym hereby extends a heartfelt welcome back to our 8th edition of our International Gymnastics Tournament 2023 featuring Artistic Gymnastics, Rhythmic Gymnastics, Aesthetic Group Gymnastics and Gym Dance.

Indeed, this Tournament encompasses a total participation of the various disciplines of Gymnastics thus challenging the diverse ability and talents of our gymnasts in these areas. Your involvement in this Meet not only represents your personal achievements and dedication, but also showcases the strength and depth of talent within our own gymnastics community.

The two years of the Covid pandemic did affect the flow of our training and our programmes; however, it did not affect our enthusiasm. Staying indoors for months and not being able to socialize and train together was daunting but the gymnastics spirit and determination continued. I understand that most of us, during the pandemic period, still continued and pursued training at home and online even though it was laborious and tedious.

## Organising Chairman & Advisor

When the situation came under control, it was a great relief to everyone and when life started crawling back into our systems, so did gymnastics; that is why we are all here this time around to continue what we left off since 2019 at our 7th International Gymnastics Tournament held at Cyberjaya.

After 4 years, now that most of us are back here together in Malaysia, I truly hope that you all have an amazing time during the competition, especially during the Gala Dinner, making more friends and acquaintances. To our foreign friends, we hope you experience something new and exciting to bring some fond memories back home. To our local participants, hope you have a splendid time and gain valuable experiences during the competition too.

I am indeed blessed with parents from our Total Gym family, volunteering their diverse abilities and professionalism, joining our 8th TGIGT organising committee half a year back to materialise an unforgettable event.

I hereby express my sincere thanks and gratitude to all of them, to our main sponsor Sri KL International School and all other sponsors, to both foreign and local participants, supporters, event assistants and helpers, my colleagues and to my AG and RG Directors for getting all the technical matters of the Meet done, besides conducting the daily training sessions for our gymnasts.

Hope to see all of you again in 2025.

## Rhythmic Gymnastics, Aesthetic Group Gymnastics & Gym Dance Director

I would like to extend a warm welcome to all the delegations attending our 8th Total Gym International Gymnastics Tournament 2023. This marks my first time as the Competition Director for Rhythmic Gymnastics, Aesthetic Group Gymnastics, and Gym Dance at the Total Gym Club. It is truly an honour to take on such significant responsibilities, and I am grateful to Coach Mike Ng and Madam Choo Kim Lian for their trust and guidance throughout this journey.

I believe that this event will provide gymnasts with valuable experience and exposure, not only in the realm of gymnastics but also in fostering sportsmanship values and building friendships.

After three years of battling the pandemic, Total Gym is finally able to host our biennial event once again. Although this year's event is on a smaller scale compared to our previous editions, it serves as a starting point to reinvigorate the event. Our aim is to create opportunities and reunite our gymnastics community.

I express my heartfelt gratitude to our Organizing Committee, primarily composed of parents of our club's gymnasts, along with

parents of our past graduates. Their sacrifices and tremendous efforts in organizing the tournament do not go unnoticed. I sincerely thank and appreciate all of you for your unwavering support, dedication, and encouragement towards our club.

A special thanks goes out to our diligent coaches and staff who have tirelessly prepared our gymnasts for this tournament while also contributing to the event's organization.

Furthermore, I extend my deepest appreciation to Othman Merican Educational Development Bhd for once again being the Main Sponsor for the 8th Edition in 2023. Their consistent support and encouragement for gymnastics and our event since its inception are highly commendable.

Lastly, my gratitude goes to all our sponsors and friends who have played a crucial role in making this tournament possible and ensuring its success.

I hope that everyone enjoys the tournament and takes home fond memories from this experience.

Thank you all!
